Hi Jo,

Attached is the Access Agreement signed by Stag Management that needs to go in. I believe I also sent you the Removal Assessment Report earlier. Once Mark gets a copy of the PA/SI report to put in I believe we will have the AM, the Removal Assessment Report, the Access Agreement and the PA/SI Report. I don't have any other relevant documents to our Removal Action that I know of. I have documents from TCEQ but I don't believe they need to go in. Elizabeth is there anything specific you are looking for to go in? Thx.
